Letter from the editor

Hello everyone and welcome to the December/January issue of Parish News. The good news is that Nic Coppen, supported by her friend Helen, of Gestingthorpe is taking over the editorship. She will start with our next issue which is in February.

I have really enjoyed editing the magazine and I hope that you have found it both useful and enjoyable. I also want to thank the large band of people who support the magazine, the fab individuals in your individual villages who are responsible for getting me copy, the people who provide gardening help and nature notes every month, the great people who distribute the magazine to you and the steering committee, but more than any one, Jane Stone, who has sorted the finances and held my back, and who has agreed to carry on helping Nic so there will be continuity.

I have promised Nic that I WILL NOT interfere.

I will continue to support the magazine as I'm taking over from Beverley (for whom much thanks) as the copy provider for Little Maplestead. So for all you folks in Little Maplestead, send me your interesting news.

The lovely cover photo was taken by Kathy Crimmins.

Have a lovely Christmas and a fab new year.

Letter from the Reverend Beverley Vincent

Some of us will be welcoming the Christmas season and New Year with a familiar heavy heart. We have so many things to concern us currently and as we hear the Christmas tunes of supermarkets and see the twinkling lights everywhere and try to grasp the joy of Christmas, we might also be reflecting on the uncertainties that next year holds for us.

The political landscape has been chaotic this year which no doubt increases our anxiety about the future. Politics shapes the Christmas story as we know it. Luke's gospel tells us Mary and Joseph travelled to Bethlehem because Quirinius, governor of Syria, was commanded by the Roman Emperor Augustus to conduct a census for the purpose of taxation. In the Gospel read at Christmas time we hear Jesus' credential as a descendant of King David, and the political exile of his ancestors to Babylon in the Old Testament. Then as the Christ child is born the wise men threaten the political order with the news of a newborn king, so that King Herod plans to kill the child. Mary and Joseph flee and live as refugees in neighboring Egypt. Meanwhile, fuelled by the desire to cling to political power, Herod orders all young children in and around Bethlehem to be killed.

The baby Jesus finds his life shaped by the political stage around him from before he leaves the womb. The politics of the world with its competing factions, impact his life from his birth until his final breath on the cross. The Christmas story is about God entering our world, it's about the hope we have that God in the person of Christ came to bring order out of chaos, and peace to all people on earth.

Politics shapes all of our lives. It has profound effects on all lives not just those who are very similar to us but also those who live in very different circumstances. The Bible is clear that our concern should never be just for our own standards of living but rather for those who are particularly vulnerable or in need. Perhaps our Christmas presents this year could simply be acts of kindness, after all these cost nothing and yet are often invaluable.

If you want to add that authentic dimension to Christmas this year, make sure you look out for those who are less fortunate or lonely, be kind, be generous with your time and maybe take a mince pie to those good people who'll spend the day volunteering and serving others in so many ways.

With best wishes for you and your loved ones this Christmas and New Year.

Rev'd Beverley

Little Maplestead Volunteer Network

We can collect drugs, search the internet if you do not have a computer, or just be a friendly voice on the other end of the phone. If you or others you know feel may need support please contact one of us. Please contact Bill Piper on 01787473933, Jane Stone on 01787472525, Gemma Frost on 07826523187

Little Maplestead Volunteer Emergency Telephone System (VETS)

As you know we have two defibrillators in the village.

One is close to the phone box in the centre of the village, and the other is on the wall outside Little India.

These can and should be used in an emergency.

We have a team of people in the village who have had basic training on how to operate the defibrillators, and also CPR.

We need more volunteers to bring our VETS team to full capacity. All you need is a land line phone, and the ability to move fast in the event of an emergency, assuming you are available to be called out.

All members of the team will be given basic training, and also a hold all containing some potentially useful equipment, like kneeling pads, torch etc

Please contact Bill Piper on 01787473933 if you would like to be a member of our team..... Just remember it could be a family member or friend who needs your assistance.

Could all the current VETS members please contact me to confirm that they are still available to be of assistance.

In the event of an emergency always dial 999 first, and then 01787 852252 this will trigger help from the VETS.

Little Maplestead Parish Council...

...needs a new Parish Councillor

We're looking to appoint someone who has good local knowledge of the Parish, an interest in the local environment, is keen to serve our community and can help make Little Maplestead a better place to live.

What do Councillors do?

- **Local Involvement**
Work as a team on behalf of **all** residents to consider, evaluate and undertake actions that will benefit the whole Parish.
- **Monitoring**
Ensure that grants are sought, awarded and best value services obtained for major projects.
- **Decision Making**
Decide how funding is best spent to improve facilities for residents, and respond to **all** planning applications affecting the Parish, in the common interest.
- **Governance**
Commit to the **Council's Code of Conduct** to undertake the role in an unbiased and lawful manner.

What could you do?

DON'T BE SHY! If you have the time, and can make the commitment, then this is a great opportunity to get involved in the Parish's future and become a part of its history.

To be a candidate you must:

- ✓ *be a British, Commonwealth or Irish citizen; and*
- ✓ *be aged 18 years or over.*

Also, you must fulfil at least one of these criteria:

- ✓ *have been on the electoral register for the Parish; or*
- ✓ *during the whole of the 12 months before your appointment, owned or occupied land or property in the Parish; or*
- ✓ *during that same 12-month period, have had your main place of work in the Parish; or*
- ✓ *during that same 12-month period, have lived in the Parish or within 3 miles of it*

If you are interested and would like more information, please e-mail Parish Clerk, Ann Harris: littlemaplesteadparishclerk@gmail.com

Closing date for applications is 31st December 2022

Nature Notes

The weather, the background to all the natural world, continues to surprise and even alarm us. From the 1st of July until the 18th of October my garden rain gauge recorded just 78 mm of precipitation; from 19th October until 19th November we had 140 mm. Essex is the driest county in England, with an average 500 mm of rain per annum. In the last month we have had more than a quarter of that but the 5 months' total since the beginning of July suggests we might be on course for a 'normal' year. It doesn't feel normal and our November temperatures were very mild indeed. Perhaps reflecting this mild weather was the sight of White Dead-nettle still flowering along roadsides this week and a whole field of rape still yellow.

More typical of the season were mixed flocks of tits moving through woodland canopies and the arrival of winter thrushes from the north. There was a small flock of redwings (right) overhead on the 16th November and then good views of about 20 fieldfares on the 18th, both arriving pretty much at the expected time. Both species are attractive and presage the colder months ahead. They feast on the abundant fruit of

hawthorns, cotoneaster and other berry-bearing plants. Birds like skylarks and yellowhammers are conspicuous by their song in summer but disappear in winter. They don't go anywhere, they just drop out of sight, However, on a mild day and with a little burst of sunshine, a skylark may be persuaded to issue a few notes, even while still on the ground. One such caught my ear a few days ago, but it is just luck if you spot a yellowhammer.

Ravens have been in our area for a couple of years now but remain elusive for such a large bird. I was delighted to spot a pair over Dynes Hall Road last week, my attention being drawn by their deep grok-grok call. They were pursued by a cohort of jackdaws that looked tiny by comparison but fearless, nonetheless. Ravens seem to be spreading over large parts of England that were formerly devoid of the species.

Historically of course they would have been widespread but were driven out by persecution in many areas. I saw a bird over a Surrey heath a couple of weeks ago; when I lived there in the eighties there were none. It's heartening to see birds returning to old haunts, indicating changing attitudes and greater awareness of the value of biodiversity.

Great Maplestead Advent Display 2022

This December, parishioners are, once again, invited to create an advent window/festive garden display as part of the village's Christmas celebrations.

If you would like to register a display, please notify the Parish Clerk which date you would like to reveal your design, from 2nd- 24th December, together with your title/theme for your display (eg: Christmas carol/song/film).

A map of where each display is and daily photos will be circulated via village social media channels.

To start off the event, the village Christmas tree, kindly donated by Joe Newton, will be unveiled on **1st December** on the triangle outside St Giles School in Church St. **Light up time 6.00pm.** This is a community tree so do feel free to add your own decoration to those provided by the village elves.

Let's create another visual treat for us all to enjoy as part of the Christmas festivities!

Community Playing Field Wins The Lottery

Great Maplestead Parish Council's ambitious £110k Community Playing Field Development Project has received a significant boost by being awarded a £75,000 grant from the National Lottery Community Fund.

More Great Maplestead

More Community Playing Field Wins The Lottery

The project is aimed at revitalising the village playing field, replacing the children's ageing play equipment and providing full access, for people of all abilities, to what is a valuable, and much loved, community amenity.

The thriving village school, which used the playing field as an outdoor learning space during the Covid epidemic and continues with lessons there today, stands to benefit from a new perimeter pathway that can also be used for the pupils' 'Mile-a-Day' challenge.

Since March 2021 an ongoing community fundraising programme has seen donations from individuals, institutions and businesses within in the village reach nearly £37k. Organised social fundraising events, such as a Village Fun(d) Day and Dog Show, quizzes and, in particular, an epic sponsored 1,000-mile bike ride from Land's End to John O'Groats by two residents, which in itself raised over £5k, have been enthusiastically and generously supported.

Work on improving the community playing field has already begun, with the construction of a Boules court, additional picnic benches and the installation of a new drainage system. The Lottery grant award will now allow work to start on the 'access-for-all' pathway and replacement of the children's play equipment.

Leader of the Development Project Team, Cllr. Simon Last, said: "Receiving this National Lottery Community Fund grant has been a wonderful reward for the tremendous efforts put in by everyone involved in the project. The improvements the grant will now enable us to make to the community playing field will a legacy of lasting benefit to residents and visitors to the village for many years to come".

Gardening Corner

I can hardly believe this is the last 'Gardening Corner' of the year – where have the last twelve months gone?

At this time of year, when colour is not so prevalent in our gardens, ornamental grasses make quite a bold statement. We are experiencing a prolonged wet spell; I would therefore recommend planting in the spring when the soil warms up and we have longer days. Once established, grasses give height and movement to the back of a border – or indeed on their own. Look out for Golden Oat Grass [*Stipa gigantea*], Silver Grass [*Miscanthus sinensis*] and Tall Moor Grass [*Molinia caerulea*] – they all grow to between 1.8 and 2 metres.

My recommended plant of the month has to be an ornamental Holly! *Ilex* [*Argentea Marginata*], the Silver margined holly or *Ilex* [*Golden King*], a lovely shrub with a deep yellow margin to the leaves. If you do plant an ornamental Holly beware – they can grow to 20ft tall or more.

Garlic can be planted any time this month: the old saying goes 'plant on the shortest day and harvest on the longest'. Broad beans can also be sown outside; plant at least 2 inches deep and keep a look-out for mice, especially if you prefer to plant the seed in pots in the greenhouse. This warning also applies to Sweet Pea seed.

Continue to rake up leaves, composting what you can. If you have a shallow pond it is a good idea to place a net over the top to catch any leaves. The net will also discourage visiting herons who will have an eye on any garden pond as their food becomes shorter in the wild; they seem to find gold fish very tasty...

If you have a greenhouse, cold conservatory or zip-up plant protector, ventilate it for 2 to 3 hours on a warm day; this will help keep mould and disease at bay.

A regular winter job is to check the drainage of pots with bulbs, shrubs and small trees planted in them – if the drainage holes become blocked, the pots can become waterlogged. Also, if you can stand your pots on feet or bricks, this helps maintain free drainage and air circulation.

Seasons greeting to you all.

Gestingthorpe

Gestingthorpe 'Gathering' Coffee Mornings.

Our coffee mornings continue to be a great place for villagers and friends to have a fortnightly 'catch up' over a coffee and cake. Please come along and join us; you will be made very welcome. If you are in Gestingthorpe and you don't want to walk along the roads on a wet and windy day please give Chris or Rose a call on 01787 462763 who would be happy to give you a lift to the village hall.

Our coffee mornings during December will be held on the Fridays of 2nd and 16th and the first ones in 2023 will be on the Fridays of 6th and 20th January.

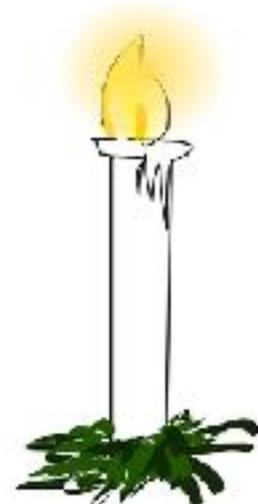

Funds raised at our coffee mornings go towards the upkeep and running of our village hall.

It is great to see so many regulars and some new faces at our 'gatherings' and to hear the buzz and laughter between everyone enjoying a chat with their friends over a hot or cold drink and delicious home baked cakes.

If you haven't yet been to a coffee morning; please come along. We would love to see you and guarantee a warm welcome.

Darcy the Dachshund

Darcy the miniature smooth haired dachshund lives with her family and her big sister Bella in Little Maplestead. She arrived in April this year and settled in quite quickly with Bella to show her the ropes. It is funny how quickly you forget what hard work a puppy is. As with all dachshunds, they train you and not the other way around. She is a really engaging character and seems to find fans wherever she goes.

She has had her moments as a puppy. We were eating lunch one day and the telephone in the kitchen kept beeping intermittently. We were puzzled as to why the phones were playing up, and it wasn't till I saw a busy wagging tail in the corner of the room near the phone socket that I worked out what the problem was. Himself was not best pleased, but he managed to solder the wires and we did not have to buy a new set of phones. Jumpers have been chewed, chocolate stolen, toys disemboweled, Bellas new leather collar inadvertently shortened and sadly she seems to enjoy pruning roses....

Before she arrived, my husband said that I could have any dog I wanted, but he hated dachshunds. Fast forward 8 months and she absolutely adores him, follows him wherever he goes and has to have a little treat from his meals – I think the two things are possibly connected!

Daxies are "marmite" dogs, you either love them or hate them, but now we could not imagine life without her (or her big sister Bella.)

Pebmarsh

Support in Pebmarsh

Pebmarsh Volunteers continue to be here for you during the pandemic. If you need anything, such as if you're isolating/quarantining and need help to collect prescriptions or with shopping, get in touch with Kate Carling (Phone: 267 924) and she will put you in touch with your village Volunteer.

Pebmarsh Village Hall and the Nott Family Trust

The trustees of Pebmarsh Village Hall and the Nott Family Trust wish all a Merry Christmas and a Happy New Year.

The Nott Family trust thank to all in Pebmarsh and further afield for their continued support enabling us to continue our charitable work within the parish of Pebmarsh.

Like the willow trees that The Nott Family Trust have planted in Pebmarsh, their contribution to the parish grows and goes from strength to strength. (See the front cover photo)

The trustees of Pebmarsh Village Hall give many thanks to all their regular hirers, occasional hirers, visitors and groups in Pebmarsh and further afield for their continued support and custom. It is much appreciated.

They would also like to take the opportunity to introduce to all and welcome Kelly Thompson to the Village Hall committee who will be taking control of our village hall bookings from December 7th 2022.

They both also thank Jenny Bishop, the outgoing editor of the Parish News, for all her hard work and support over the years. Without Jenny's excellent, unstinting community efforts and vision it would be so much more difficult for us to reach everyone.

Special thanks also to Luke Brown, the Pebmarsh contact for the Parish News and all the volunteers that deliver the magazine throughout Pebmarsh every month. Without you all the news would not get through.

To find out more about the Nott Family Trust charitable work please contact them for a chat.

To find out more about Pebmarsh Village Hall please contact them for a chat and/or by email at pebmarshvillagehall@gmail.com

Ryan, Cathy and their team look forward to welcoming you!

St John the Baptist Church Pebmarsh

Thank you to all who attended the village Remembrance service at the war memorial and to the school for kindly inviting us to refreshments in the school hall afterwards. Much warmer than returning to the church and so nice to chat to the children. We also attended the church memorial service at Gestingthorpe this year as part of our group of churches shared services.

Now Remembrance Sunday has passed it's all system go for Christmas with the advent wreath to be in place by the end of November as we see the start of Advent. The Christmas tree will be put in the church by the 5th of December and decorations ready for the carol concert will be in place by the 10th. Lots of lights and fresh greenery which make a festive feeling to the event.

The school children will be providing the tree decorations and we will have a small tree which the youth club will be making the decorations for in the next couple of weeks. I'm looking forward to seeing what they bring to the church.

We hold the Carol concert each year with the Long Melford Silver Band playing. It is our main fund raising event during the year and only happens due to the generosity of Bob Lane who books and pays for them to come. We have a collection which goes to the Church – so tickets are not required. Come and help make Christmas special for everyone and see the children's hard work.

More Pebmarsh

More St John the Baptist Church Pebmarsh

We have lots of Christmas cards to sell at £7.50 for 10 so please contact myself on 01787269092 sarahburgess@btinternet.com or John Flack on 07768605590 team@friendsofpebmarshchurch.uk. We do have some available at the church and you can put the money in the box by the door or pick up one of our giving cards with our bank details and reference it: "Christmas cards".

We have good news for the new year as we have managed to secure a grant to help pay for the church wall repair next to the Manor House. This is thanks to Enovert who have granted us £12,000.00 which is going to be put together with the money raised by the Friends of Pebmarsh Church. Thank you to Perry Crimmins for helping put all the paperwork together. Work will start initially in January and then progress once the frosts have passed.

Omelette Popovers

This recipe is one of the many low-cost, easy to make meals that have been suggested by Great Maplestead's Community Cost of Living Liaison Group: copies can be picked up from the Warm Haven in St Giles' Church.

The recipe offers an alternative way of making omelettes that look very appealing and taste delicious.

Ingredients

Spray oil (to grease)
1 small onion
140g Cheddar cheese
150g frozen peas
6 large eggs
2x15ml fresh chopped chives
 or 1x5ml dried chives
 or 1x5ml other herbs
Ground black pepper (optional)
1x15ml water

Equipment

Measuring spoons
12-hole muffin tin
Sharp knife
Chopping board
Grater
Medium mixing bowl
Small bowl or large jug
Ladle or large spoon
Mixing spoon
Palette knife or spatula

Instructions

Preheat the oven to 180°C/160°C fan or gas mark 4.

Spray the holes of the muffin tin with the spray oil.

Peel and finely chop the onion and divide equally between the holes

Put in the oven for 5 minutes.

Weigh and grate the Cheddar cheese. Put the peas into a medium bowl and add the grated cheese.

Wash and chop the herbs and add to the cheese mixture.

Break the eggs into a small bowl and add them to the cheese and peas mix.

Add some black pepper to the mixture (to taste) and add the water.

Mix with a fork until the peas have separated from each other and the eggs are well mixed.

Carefully remove the muffin tin from the oven.

Using a ladle, divide the mixture between the 12 holes and with a spoon stir each one to mix in the onion. Return to the oven for 15 minutes or until golden brown on the top.

Allow to cool for 5 minutes then remove the popovers with a spatula.

Notes:

Chopped peppers, mushrooms and red onion make a delicious alternative to the peas – but soften them in a frying pan first!

The popovers are great served with a side salad and some slices of bread.

They will keep for 48 hours in an airtight container in the fridge. Alternatively, freeze them between sheets of baking paper and then transfer them to a plastic bag or container. They can be stored in the freezer for up to a month.

The Warm Haven @ St Giles Church.

In response to the cost of living crisis St Giles Church are pleased to be able to provide a warm space in the church. The 'Warm Haven' is at the back of St Giles church, and is set up for our use during the Winter months, it has comfortable chairs, throws and tea/coffee making facilities are also available. There are a host of information leaflets, recipes, a small library and activities to help pass the time, as well as accessible wifi. The room will be open Monday-Saturday during daylight hours.

It's a great space to sit quietly, to work or to meet with others to pass what can be a lonely time in winter months. Everyone is most welcome to make use of this facility.

Thanks to Great Maplestead Parish Council and members of the 'Community Cost of Living Crisis Group' for their support. They will drop in from time to time should you be looking for specific information/help or wish to share any ideas/suggestions for us all. Alternatively you can email them at gmcostoflivingcrisis@gmail.com
