## Letter from the editor

Plea again. Please, please, please let me know if you would like to contribute to the magazine. It would be really interesting to have recipes (our local restaurants), seasonal relevant gardening tips (our local gardeners, tree surgeons etc), local history snippets from our local history groups and/or your lockdown stories. I am delighted that Gestingthorpe History Society has sent us a piece on the "unknown soldier", so relevant to this month. St John the Baptist, in Pebmarsh will be holding our Remembrance Day service on behalf of all our four villages. Thanks also to Jane and Bruce for their story about adopting their dog during lockdown and Belinda Nott for her story about her son's litter picking adventures.

We now have a new set of COVID rules and we have printed Essex County Council's information on these rules. All our villages are still offering support services to our vulnerable and elderly

After our saga last month, I am delighted that Mum is enjoying her respite care, it's a small home and is mixed with some with dementia and some without. She is looking really well, getting very mobile, chatting to everyone and teaching the care assistants French!!! Such a relief.

I wish everyone well and hope that the increase in lockdown is bearable.

With love to you all.

## Letter from the Pebmarsh Church-wardens

---

This year seems to have flown by despite Covid 19 and autumn has come in with a vengeance. We are coming to that time when we remember those who gave their lives in the cause of freedom. I sometimes wonder if they would consider that their sacrifice is appreciated enough nowadays.

This year is even more relevant as we have celebrated 75 years of V E Day and as Capt. Tom has brought home to us V J Day or the forgotten war. Also we have remembered the 80th anniversary of The Battle of Britain. We must also remember those on the home front who supported the war effort.

Eileen and I have visited The National Memorial Arboretum, which is in Staffordshire, on two occasions on the way back from reunions with my RAF colleagues with whom I served in Cyprus for 20 months during the Eoka and Suez Crises.

In the Arboretum there are memorials to all the armed services and also to civilian organisations but the central memorial is a circular structure with a small opening down one side through which the sun shines on the 11th hour of the 11th day of the 11th month on to a memorial to the fallen. The walls of this monument have the names of personnel from the three services who have died in conflict since the end of the second world war and there is not a year without names.

This year the Benefice Remembrance Service is being held in Pebmarsh Church at 10.45 on Sunday 8th Nov and because of today's hidden enemy Covid19 numbers will be limited. We hope we can seat all who wish to come, but to make sure that this is the case would you please contact your Wardens so that we can arrange to seat you according to the guidelines, whatever they may be at the time.

Pebmarsh is hoping to have a service at the War Memorial at 11am on the 11th

Jim Crayston (Church Warden)

## Essex County Council **Essex is at High local Covid alert level**

We need you to please do two things. Both are critical if we are to reverse the increases in cases in Essex and minimise the impact on businesses, who we are working with to support.

First, please work from home if you can.

Second, please follow the [High alert level restrictions](#) These are mainly about not mixing with other households.

If we all play our part, we can reduce the number of people who die or become seriously ill from Covid-19. By acting now, we hope to exit High alert level restrictions sooner rather than later.

### **What this means for you**

The main difference between the Medium and the High alert level is socialising with other households. You must follow these rules all the time, even if you are seeing friends or family who live in a Medium alert level area. The restrictions apply to you as an Essex resident.

### **What's changed**

You can no longer socialise indoors with people from a different household unless they are in your support or childcare bubble.

The Rule of Six (up to six people from different households meeting) applies outdoors, in both private and public spaces.

Work from home if you can. Take extra precautions if you work in other people's homes. Aim to only make essential journeys.

Do not visit a care home except in exceptional circumstances, for example to visit someone at the end of their life.

### **What's stayed the same**

Covid-secure businesses can keep operating and hospitality venues can stay open until 10pm.

You can still go to school, university and places of worship. Weddings and funerals can go ahead in the same way as before.

You can still use registered childcare settings, including childminders, after-school clubs and nannies.

## **Where to find more details**

View the government guidance on [High alert level restrictions](#). We've also produce a helpful guide, what the High Covid alert level means for you. We'll be regularly updating this guide with any local information which will help you understand how the restrictions apply in Essex.

## **Guidance for businesses**

Business must work in a Covid-secure manner. Guidance is available for [businesses and venues](#).

## **Tradespeople**

Official or registered tradespeople can continue to go to other people's homes for work purposes. Follow the guidance for [people working in, visiting or delivering to other people's homes](#).

## **Hospitality**

If you work in hospitality, [use the guidance for your type of workplace](#) to keep your employees and customers safe.

## **Funding and support**

We are working to do everything we can to [support our people and businesses in Essex](#). Use [GOV.UK's business support finder](#) tool to see what support is available for you and your business.

## **Help and support for residents**

### **Looking after yourself and others**

Confusion, anger, anxiety, despair - these feelings are common reactions to the ongoing pandemic and changing restrictions. You might be worried about your job, your business, juggling work and home life, loneliness or being unable to see friends and loved ones.

Whether you need support or need help to support someone else, you can [get help and support](#) from a range of local organisations.

### **Support from the Essex Wellbeing Service**

Set up in response to the pandemic, the Essex Wellbeing Service is here to help all residents, providing a single point of access to practical, emotional and specialist support.

Whatever you need support with, there is help available. If you or anyone you know needs support, visit the [Essex Wellbeing Service](#) or call 0300 303 9988.

## Lockdown Stories

---

### The story of Rocky

---

Two years ago we lost our Labrador to cancer and we had not felt ready for another dog. However lockdown helped us to decide that it was time. As Ally was a rescue dog we returned to the LRRSE (Labrador and Retriever Rescue Sothern England) to let them know we were ready to foster again and possibly adopt. People were not allowed to be new fosters during lockdown due to all the house checks etc but we were fortunate as we were already on their books. It wasn't long before they told us about a three year old black labrador who needed a foster home as his family had lost everything due to Covid. We picked up this lively dog from the Charity in Surrey at the end of May. His previous foster parents couldn't handle him as he lunged and barked at absolutely everything. However with a lot of training with treats and the clicker we can now walk Rocky without any problems. He is the most loving dog anyone could wish for and is wonderful with the grandchildren. After three months

we decided to adopt him and you may see us around Little Maplestead with him as we walk quite a bit! The pleasure that any dog gives you is worth all the effort needed but also to know that you have given a home to a dog in need is a very satisfying feeling . Feel free to get in touch if you want to know more. Jane and Bruce.

## **Gestingthorpe History Group**

---

On November 7th, 1920, in strictest secrecy, four unidentified British bodies were exhumed from temporary battlefield cemeteries at Ypres, Arras, the Asine and the Somme.

None of the soldiers who did the digging were told why.

The bodies were taken by field ambulance to GHQ at St-Pol-Sur-Ter Noise. Once there, the bodies were draped with the union flag.

Sentries were posted and Brigadier-General Wyatt and a Colonel Gell selected one body at random. The other three were reburied.

A French Honour Guard was selected and stood by the coffin of the chosen soldier overnight.

On the morning of the 8th November, a specially designed coffin made of oak from the grounds of Hampton Court arrived and the Unknown Warrior was placed inside.

On top was placed a crusaders sword and a shield on which was inscribed:  
"A British Warrior who fell in the GREAT WAR 1914-1918 for King and Country".

On the 9th of November, the Unknown Warrior was taken by horse-drawn carriage through Guards of Honour and the sound of tolling bells and bugle calls to the quayside.

There, he was saluted by Marechal Foch and loaded onto HMS Vernon bound for Dover. The coffin stood on the deck covered in wreaths, surrounded by the French Honour Guard.

Upon arrival at Dover, the Unknown Warrior was met with a nineteen gun salute - something that was normally only reserved for Field Marshals.

A special train had been arranged and he was then conveyed to Victoria Station, London.

He remained there overnight, and, on the morning of the 11th of November, he was finally taken to Westminster Abbey.

The guests of honour were a group of about one hundred women. They had been chosen because they had each lost their husband and all their sons in the war. "Every woman so bereft who applied for a place got it".

The coffin was then interred in the far western end of the Nave, only a few feet from the entrance, in soil brought from each of the main battlefields, and covered with a silk pall. Servicemen from the armed forces stood guard as tens of thousands of mourners filed silently past. The ceremony appears to have served as a form of catharsis for collective mourning on a scale not previously known.

The grave was then capped with a black Belgian marble stone (the only tombstone in the Abbey on which it is forbidden to walk) featuring an inscription, composed by Herbert Edward Ryle, Dean of Westminster, engraved with brass from melted down wartime ammunition.

The idea of the unknown warrior was thought of by a Padre called David Railton who had served on the front line during the Great War the union flag he had used as an altar cloth whilst at the front, was the one that had been draped over the coffin.

It was his intention that all of the relatives of the 517,773 combatants whose bodies had not been identified could believe that the Unknown Warrior could very well be their lost husband, father, brother or son...

THIS is the reason we wear poppies.

We do not glorify war.

We remember - with humility - the great and the ultimate sacrifices that were made, not just in this war, but in every war and conflict where our service personnel have fought - to ensure the liberty and freedoms that we now take for granted.

Every year, on the 11th of November, we remember the Unknown Warrior.

At the going down of the sun, and in the morning, we will remember them.

### **Rhett Mills**

---

Rhett Mills is a member of 1st Bures Scouts. He is very keen to achieve his chief scout award before he finishes scouts next summer and he needs to complete 6 hours community work as part of his World Challenge Badge and decided he would like to litter pick in Pebmarsh as he had noticed so much rubbish when walking and cycling around the village. So far he has collected a huge amount of cans and plastic bottles and wrapping, but unfortunately quite a lot of disposable face masks too. He hopes to complete this task in October, bags of rubbish may be seen along the road side which will be collected after each session.

This is a really useful lesson to us regarding the face masks. Consider using a washable face mask rather than a disposable.

### Message from the Great Maplestead Volunteer Network Coordinator

---

Just to let you know that the Great Maplestead Coronavirus Volunteer Support Network is still up and running.

As we are all aware, COVID-19 cases have risen significantly across Essex; the county is now in 'Local COVID Alert Level: High', otherwise known as Tier 2.

To help cope with these new restrictions we have a large team of excellent volunteers who are willing to assist and support vulnerable residents during this challenging time. If you are self-isolating, or finding it difficult to get out, our volunteers are happy to help with shopping, picking up prescriptions, or just having a chat on the phone.

If you would like any help please do not hesitate to contact me by phone on 01787 461 002 or 07773 627 897, or by e-mail at jacqui.mee62@gmail.com so that I can organise and coordinate volunteers to help. Thank you Jacqui Mee

Pre-Planning Consultation for a Mobile Phone Mast in Great Maplestead

As parishioners will now be aware, representatives for Telefónica (O2 and Vodaphone) have contacted the Parish Council regarding a proposal for the installation of a mobile phone radio base station in the field to the north of the junction of Mill Lane and Toldish Hall Road.

Detailed information about this proposal, including links to location maps, design drawings and rejected alternative sites, can be found on the News page of the Council's website.

The Council has delivered a questionnaire to all households seeking parishioners' views on the proposal and will be considering all the replies it receives before formulating its response to Telefónica.

If you have not received a questionnaire please contact the Parish Clerk, Ann Crisp (details below), if you wish your opinion to be considered.

Please ensure you return your completed questionnaire to the Clerk, either in hard copy or by e-mail, by 5.00pm on Friday 6th November.

Results of the questionnaire will be published and the Council will keep residents informed of its response to Telefónica via the usual channels – the Council's website, its Facebook page and the Maplestead Magna Carta newsletter.

Clerk contact details: New House, St Giles Close, Great Maplestead, CO9 2RW. 01787 460216 . anncrisp@greatmaplesteadpc.co.uk

### ADVENT WINDOWS

This seems the perfect year to host advent windows around the village to help brighten the long dark December nights. As singing is not currently allowed, maybe displays could reflect a Christmas carol or song to help create some festive cheer.

Naturally, there can be no social gatherings to watch window unveilings, but we can all appreciate each other's creativity as we go about our business in the village.

To kick start the event, the village elves will erect a village Christmas tree on **December 1<sup>st</sup>** on the triangle outside St Giles School in Church Street.

The tree will be dedicated as a **thank-you to the NHS** and you are encouraged to help decorate the tree with festive NHS rainbows throughout the advent period.

If you would like to create and display an advent window, please let me know which date you would like to reveal your design, from **2<sup>nd</sup> - 24<sup>th</sup> December**, together with your choice of carol/song.

I will then endeavour to create a map of where each window will be displayed so you can look out for them.

## Twelve tips for Christmas and after

---

With Christmas rapidly approaching here are a few tips to help keep you safe at home, shopping and visiting (whilst Covid compliant).

1. If you store Christmas food and drink and presents within garages and outbuildings, ensure that they are out of sight and that it's securely locked with good quality locks. Treat your shed to a shed alarm.
2. Avoid tempting window shopping burglars; don't leave presents and valuables on full view in front of a window.
3. Ensure that your windows and doors are closed and locked before leaving the house (remember your face covering). Don't attract burglars to your home by leaving it in darkness; leave lights on timers, perhaps treat yourself to a TV simulator too.
4. Lock gates to keep unwanted visitors from getting to the rear of your home.
5. Whether an evening out or Christmas shopping keep your bags, handbags, wallets and mobile safe. Busy places make it easier for the sneak thief, so be alert at all times.
6. Park safely; look for a Parkmark accredited car park [www.parkmark.co.uk/car-park-finder](http://www.parkmark.co.uk/car-park-finder) Check that your car is locked before you leave it and don't leave valuables on display in your car.
7. When you go to leave the house and find that your car is all iced up, don't leave it unattended with the engine running to de-ice it. It only takes a second to steal your car and it would invalidate any insurance claim.
8. A small Christmas get together – make sure that you have considered how you are getting home in advance and avoid using unlicensed taxi's. Ensure you drink responsible, social distance and are aware of your surroundings, whilst keeping your drink and belongings safe. [www.suzylamplugh.org/Pages/FAQs/Category/personal-safety](http://www.suzylamplugh.org/Pages/FAQs/Category/personal-safety)
9. Watch what you put on social media; check your settings to ensure that you are not broadcasting when you are not at home and the lovely gifts you may have received.
10. After Christmas don't advertise your nice gifts to the thieves by putting the empty boxes out for collection, disguise them, fold them up inside out or put them inside another non-descript box.
11. Record your new property free on [www.immobilise.com](http://www.immobilise.com) , install tracking and security apps on relevant electrical and computer products.
12. Have a Great Christmas and New Year!! For further crime prevention advice see: [www.essex.police.uk/cp/crime-prevention/](http://www.essex.police.uk/cp/crime-prevention/)
